

SAFETY FOR ALL MEMBERS

We, a group of members, feel that **NO MEMBER** should be sexually harassed or financially pressured in any way.

It is up to us as individuals in the rooms and in our groups to protect the minor, the new person, young and old, from any unsafe predatory behavior.

It is up to us to make the group a safe place.

IT'S TIME TO RAISE AWARENESS

Regarding behaviors that are adversely affecting the Atmosphere of Recovery in our meetings.

IF OUR COMMON WELFARE COMES FIRST

We are not a dating service or walking ATM's!

Sponsors and old timers should not abuse their position of power and authority. We are trusted servants.

Tell the secretary of the group and your sober friends if you are being harassed or if you feel uncomfortable.

Remember, IF A CRIME IS COMMITTED CALL THE POLICE.

We are here to support you.
